Name of the Project : Old Griffin Rd - Hawthorne Reserve
Project Location : Dallas
Weather : Clear sky and sunny
Departure Time : 04/14/2025 10:30
ASEC Technician Name : Solomon Cherie

Our AS Engineering & Consulting (ASEC) representative arrived on site to observe field activities. The following tasks were performed:

Upon arrival, our representative found the site to be muddy and wet overall due to recent inclement weather. After consultation with the contractor, it was decided that grading operations would be terminated for the day. Contractor elected to haul topsoil this day.

Please contact us if you have any questions regarding this report.
