---

Our AS Engineering & Consulting (ASEC) representative arrived on site to observe field activities. The following tasks were performed:

Visual observation techniques were employed to verify compliance with project drawing/specifications, applicable codes, and materials submittals. The following observations were observed on site this day.

- Our representative arrived on site as requested to observe the ongoing work. Upon arrival, it was noted that Mr. Clyde Smith of ASEC was also on-site to perform an overview of the site following clearing activities. The only personnel present were the grading crew, with whom was met and briefly interacted with. No additional work or activities were performed during this visit

We appreciate the opportunity to be of service to you on this project. If you have any questions regarding this report, please feel free to contact us. We will be more than happy to discuss it with you.
