Weather : Cloudy and drizzle
Departure Time : 12/09/2024 09:15
ASEC Technician Name : Solomon Cherie

Our AS Engineering & Consulting (ASEC) representative arrived on site to observe field activities. The following tasks were performed:

Upon arrival and following one inch of rain, the site was deemed to wet and muddy to perform grading activities this day. The grading contractor agreed and filling/backfilling terminated for the day.

Please contact us if you have any questions regarding this report or of the density test results.
